

CHOUKSEY ENGINEERING COLLEGE, BILASPUR

(Approved by AICTE, Recognized by Government of CHATTISHGARH & Affiliated to CSVTU - Estd. 2001)

Maintenance of Computers, Printers & Biometric System committee

Date: 28.12.2023

Time: 2.30 PM

Place: Hardware Lab

A meeting was organized with Maintenance of Computers, Printers & Biometric System committee headed by Nilesh Kumar Gupta.

Present Members:

1. Mr. Nilesh Kumar Gupta
2. Mr. Mirza tahseem beg
3. Mr. Sanjay Kaushik
4. Mr. Khilendra Vastrakar

5. Mr. Birabal Rajput
6. Mr. Neeraj Singh Thakur
7. Mr. Vikash Rana

Agenda:

1. To Maintain Computer System, Printer, Biometric System and other Computer related devices for coming semester i. e. JAN-JUN 2024.
2. To instruct CSE department and other department to check their labs and give the requirement needful.

Discussion:

1. How to perform lab wise updating.
2. To send proposal of requirement of computer parts to the management.
3. Check and update the Database of bio Metrics system.
4. How to check and update different system used by different departments in our college.

Decisions:

1. Following dates are decided to update different labs for new session. Also update biometric device database for new upcoming session.

S. No.	LAB NAME	Updation Date
1	Main Lab	02.01.2024
2	Project Lab	03.01.2024
3	Software Lab	04.01.2024
4	Hardware Lab	05.01.2024
5	DBMS Lab	08.01.2024
6	Language Lab	09.01.2024
7	Research Lab	10.01.2024
8	MTech Lab	11.01.2024
9	CAD/CAM Lab	11.01.2024
10	EMEC Building	12.01.2024
11	Pharmacy Building	13.01.2024

2. To collect requirement's regarding computer system, software, printer, scanner, networking from all the departments.
3. Send the requirement list of computer peripheral and other parts to the management.

Maintenance of Computers, Printers & Biometric System committee

Date: 16.10.2023

Time: 2.30 PM

Place: Hardware Lab

A meeting was organized with Maintenance of Computers, Printers & Biometric System committee headed by Nilesh Kumar Gupta.

Present Members:

1. Mr. Nilesh Kumar Gupta

2. Mr. Mirza tahseem beg

3. Mr. Sanjay Kaushik

4. Mr. Khilendra Vastrakar

5. Mr. Birabal Rajput

6. Mr. Neeraj Singh Thakur

7. Mr. Vikash Rana

Agenda:

1. To update Computer System in different lab for various events organized in Techno-a-tack 2023.
2. To install needful software in Computer Lab for various events organized in Techno-a-tack 2023.

Discussion:

1. Where and how to do updating.
2. Careful checking installed software for smooth working.

Decisions:

1. Update lab according to event in charge need.
2. Install and check needful software for event.
